# REPORT TO TOWNS

## WAKEFIELD

All Open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the landowner. No outdoor fires can be kindled between 9 A. M. and 5 P. M. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanston and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

REPORT  
OF AN EXAMINATION AND AUDIT  
OF THE ACCOUNTS AND RECORDS  
OF  
ELIZABETH J. DICK, TAX COLLECTOR  
OF THE  
TOWN OF WAKEFIELD  
FOR THE PERIOD JUNE 1, 1969 THROUGH OCTOBER 5, 1971  
MADE BY  
DIVISION OF MUNICIPAL ACCOUNTING  
DEPARTMENT OF REVENUE ADMINISTRATION

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen  
Wakefield, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of Elizabeth J. Dick, Tax Collector of the Town of Wakefield for the period June 1, 1969 thru October 5, 1971. This audit was made by this Division at your request under the provisions of R. S. A. 41:36.

The examination included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. Verification of uncollected and unredeemed taxes was made by mailing notices to all delinquent taxpayers as indicated by the Tax Collector's records.

As indicated in Exhibit A, tax collections totaling \$786.49 which were received by the Tax Collector during the period covered by the examination have not been remitted to the Town Treasurer. These were as follows:

#### UNREMITTED TAX COLLECTIONS

1970 – Property Taxes	\$778.50
1970 – Interest on Delinquent Taxes	7.99
	\$786.49

It is noted that the Tax Collector was covered by a surety bond issued by the New Hampshire Insurance Company during 1970 and 1971.

Inasmuch as the whereabouts of Mrs. Dick are unknown at this time, it is recommended that the Board of Selectmen request reimbursement from the bonding company for the above stated amount of \$786.49.

A copy of this report is being sent to the Attorney General of New Hampshire. The Attorney General has stated that no part of this report should be made available or disclosed to anyone other than the surety company involved.

Very truly yours,

Frederick E. Laplante  
Director  
DIVISION OF MUNICIPAL ACCOUNTING  
DEPARTMENT OF REVENUE ADMINISTRATION

## BONNYMAN ROAD REPORT

In accordance with directions given by the Town Meeting in 1972, your Selectmen in 1972, 1973 and 1974, have drawn to a conclusion the dispute over Bonnyman Road as it pertained to the first 500 feet, more or less. The right of way has been established and laid out by Mr. Grant Davis, civil engineer. The plan has been filed with the Town Clerk and the Secretary of State's Office. The following signed agreement has been made with the abutters, Mr. Raymond and Mrs. Constance Benzing:

May 19, 1974

### LETTERS OF AGREEMENT

THE TOWN OF WAKEFIELD, N. H. & CONSTANCE C. AND RAYMOND BENZING

Re: BONNYMAN ROAD

**INTENT:** It is the intent of the parties involved that the following letters spell out a general agreement concerning the status of the first 540 feet, more or less, of the Bonnyman Road, so-called. This section of road lies in a general westerly direction from Route 153 and abuts the land of the Benzings.

#### AGREEMENT:

1. That a width no greater than 20 feet will be maintained as a travel surface of the said section of the road.
2. That the area between the travelled portion of the road and the water's edge be cleaned up, contoured and beautified by the Town.
3. That "No Parking" and "15 M.P.H." signs be posted in the area.
4. That the fence by the "log cabin" be moved by the Benzings to allow for a "Y" to be used as an entrance from Bonnyman Road onto Route 153.
5. That the Town will provide an island in the "Y" and locate a street light in said island.

6. That the island will be filled with loam and seeded with flower or grass seed.
7. That the area between the road and the lake near Route 153 will be loamed and seeded as considered practical.
8. That the granite sign post will be straightened and used, if possible, for road signs.
9. That the work noted above to be done by the Town will be done by employees of the Town Highway Department and directed by Selectman William Twombly.
10. That all pending litigation be dropped.

## HEALTH OFFICER REPORT

6 private sewer system failures were investigated. Follow up inspection, showed all corrected or in the process of correction.

Numerous water samples were taken from the lake and nearby streams. Those samples were found acceptable with the exception of 2 which requires further processing.

Mr. Clarence O. Martin, water commissioner, was very helpful in assisting me with the water samples.

Several homes were inspected and approved for accepting foster children.

WAKEFIELD LIBRARY ASSOCIATION  
LIBRARIAN'S REPORT

The Wakefield Library has been given a beautiful collection of children's books which have been much appreciated by our young patrons. There was also a gift of a bound volume containing the complete collection of the Wakefield-Brookfield Historical Society publications called "Meetings in Print." A very good source of historical information.

Following is a list of friends of the Library who have given gifts of books and magazines.

Gafney Library	Dr. and Mrs. Frank Heck
Mrs. Kittell	The Grange
Mrs. George Doe	

We appreciate very much these gifts and the continued interest in this lovely Library. We have many guests during the summer who just want to see the inside of the building and exclaim over its architectural beauty.

## GAFNEY LIBRARY, INC.

On July 31, 1974, our beloved librarian, Mrs. Hazel MacBrien, resigned due to health reasons. She will be greatly missed by everyone, especially the children, to whom she devoted so much time and energy during the many years. In appreciation of her services, the Board of Directors voted Mrs. MacBrien "Librarian Emeritus" at the August meeting. Mr. and Mrs. MacBrien are now residing in Wolfeboro.

The year 1974 was very eventful for Gafney Library. In April a new hot air heating system was installed by James K. Horne, Inc. of Dover.

In July Mrs. Barbara Winton completed the 3rd and 4th weeks in the 8 week course at the University of New Hampshire required by the state for affiliated libraries. On August 1st, Mrs. Winton took over the duties of librarian, ably assisted by Mr. Alden N. Young, Treasurer.

Mr. Clarence Martin and Mr. Wayne Cowan donated a copying machine in September.

At the annual meeting of the Board of Directors in Sept. the following officers were re-elected: Pres., Mr. Arthur S. Burleigh, Vice Pres., Mr. Horace F. Richter, Sec., Mrs. Hazel MacBrien, Treas., Mr. Alden N. Young; Directors: Mrs. Adalaide Hughes, and Rev. Allen W. Clark. Mr. Samuel Paul also serves as the elected representative of the town.

The lights at either side of the front door were repaired and re-installed by Mr. Richard Swinerton in Oct.

The bookmobile called three times during the year to greatly add to our collection of books.

Every 6 weeks the librarian selects and delivers 70 books for the use of the 3rd and 4th grades at the Union School. On Tues. and Thurs., between 1:00 and 2:00, two classes come from the Paul School to use the library. Mr. Alden Young, assisted by Mr. Walter Wentworth, continues to supply the Carroll County Home with 75 books each week.

612 new books were added to our shelves during the year. We now have a total of 10,611 books.

The library hours are as follows:

Winter	1:00 to 7:00 on Tues. and Thurs. 2:00 to 5:00 on Sat.
Summer	1:00 to 5:00, 6:30 to 8:30 on Tues. and Thurs. 2:00 to 5:00 on Sat.

Come in and browse around and let us serve you.

## SANBORNVILLE WATER DEPARTMENT

The water department this year have completed re-laying water mains from the railroad crossing east to the post office and to a point opposite the residence of George Winship on High Street running north. This project included cement lined cast iron pipe and according to our engineers this addition should last many years with nominal repairs.

It is hoped in the future the rest of the system can be replaced with the same type pipe. Steel pipe now in the ground is not in accord with the soil conditions in this area.

It is important that the stand pipe on Sanborn Hill be cleaned, repainted and according to the Water Pollution Control Commission, a cover must be installed.

It is also recommended by the Commission that water meters be installed at the recommendation of our Water Engineers, the Frank Morgenroth Associates of Boston and Wakefield, N. H. This cost would be borne by each and every water taker and be repaid over a five year period.

## REPORT OF THE PARKS AND PLAYGROUNDS COMMITTEE

The Parks and Playgrounds Committee on behalf of the Town of Wakefield wishes to thank the 4-H Club for the outstanding job they did in constructing the sorely needed toilet facilities at the Town Beach at Lovell Lake this year. The work, done under the supervision of Philip Twombly, was done according to state specifications and meets all state health standards. Our local health department as well as parents and this committee are most appreciative.

Again, we wish to thank Elmor (Buster) and Fran Miliner for the outstanding job they did in caring for the town beaches and the quadrangle in Sanbornville.

While no attempt was made to count the users of Weeks Beach, there were approximately 3,700 children and adults who used the Town Beach in Sanbornville during the regular hours the beach was open this past summer.

Respectfully submitted,

In the opinion of the writer, the most important problem facing the Wakefield School Board and the Wakefield School District is that caused by lack of space. As a result of recent actions, the District is assured of a school for those who go on to high school as a part of the Rochester AREA Plan. The Board has developed as many programs as it can to meet the minimum standards for Elementary Schools within the space available to it. It still does not meet all of the standards. The pupils, due to the crowded conditions, are working under difficult circumstances. The Board has been working hard and has succeeded in establishing a stable teaching staff.

In the long run, because of crowded conditions, the educational opportunities for, and progress of the children is severely restricted. For example, the minimum space requirement is thirty square feet of classroom space per pupil. At the Union School, there is as little as fifteen. The two years that children spend at Union School are detrimental to their learning process. No matter how hard the teachers work, this is not a good environment for the children. Some factors entering into this conclusion on the writer's part are the following. Because of distance and transportation problems, the children cannot take part in the full program of the school system. The principal, by the very nature of the school design, must spend most of his time at the Paul School. Being away from the other children for two years subtracts the important dimension resulting from the interplay of peer groups. The children at the Union School are "sitting in one another's laps", causing

the teacher to be settling control problems which do not exist where adequate space is allowed. This means that there is less time to teach. The instructors at the Union School do not receive the full benefit of a central administration, nor the day to day contact with their fellow teachers in day to day relations. The achievement tests which have been administered in the schools seem to indicate that the learning process loses its momentum for the pupils who go to the Union School and it takes a year or two to recover the loss, and begin to grow at the proper rate.

The District should weigh the above points carefully in its deliberations. It should carefully consider the fact that the separation of children, and the crowding of children causes the children to lose, and this in turn, burdens the district by preventing the development of the best possible citizens. Which is better, to spend money on bricks and mortar which will last for fifty years or more, or to spend money within the next generation trying to rehabilitate a population unable to compete educationally, economically, and socially with other groups in New Hampshire, and indeed, the nation? The answer, it seems to the writer, is obvious.

Respectfully submitted,

CHARLES H. MORGAN  
Superintendent

FRANKLIN E. BLACK  
Assistant Superintendent

## REPORT OF THE PRINCIPAL

To the School Board, the Superintendent of Schools and citizens of the Wakefield School District, I respectfully submit my fifth annual report.

The opening day of school on Wednesday, September 4, 1974 found the staff members returning from an informative summer's work. They were, as usual, bustling with new and innovative ideas to aid in providing the children with a well rounded education. This year's enrollment is 272 students.

This year's professional staff consists of eleven (11) regular classroom teachers. In addition, we enlist the part time services of a remedial reading teacher, a music teacher, science teacher, learning disabilities specialist, speech therapist and school nurse.

There were only two changes in the faculty this year. Mrs. Eleanor Horne left our staff, after many years, to teach in Maine and Mr. Stephen Dyro left to travel. These two teachers were replaced by Mrs. Barbara Goulet and Mrs. Nancy Ponzetti. Mrs. Goulet comes from Rhode Island and is presently residing in Wolfeboro. Mrs. Ponzetti lives in Sanford, Maine. Other additions to our staff are Miss Sharon Winchell, grade two, Miss Cynthia Eggleston, music and science and Mrs. Sheila Walsh, learning disabilities. Miss Winchell resides in Rochester, Miss Eggleston is from Dover and Mrs. Walsh lives in New Durham.

This year we have introduced a new Reading Program and Math Program for the children of the Wakefield schools. The teachers and staff are most happy with the programs. Presently, we are working on the Science Program which is a little outdated.

Last Spring the achievement and ability tests were once again administered to all of the children in the Wakefield School District. We have found this testing program to be most successful in measuring your child's scholastic progress. Those areas in which your child may have difficulty, when correctly diagnosed, can usually be remedied most easily by an alert teacher. The result being a successful academic experience for the child.

Once again, in behalf of the Wakefield District, I wish to congratulate Mr. Lover and his 1974 Baseball team for their 6-1 seasonal record. They are determined to win every game this Spring.

October of this year brought another sport on the scene. Several of the students showed an interest in soccer as well as intramural football. The children practiced long and hard resulting in a 2-0 record. Our congratulations for a good job well done.

Our November Open House was augmented by a program offered by the Staff of the school. The program was well attended and well received. The Faculty is encouraged to try another Open House in the Spring.

This year's Christmas program was most successful. Our thanks are extended to Miss Eggleston for all of the time and energy she devoted toward this undertaking.

Mr. and Mrs. Edwin Quinn have once again most generously offered the facilities and services of their staff at Moose Mountain for the children of the Wakefield School District enrolled in the Ski Program.

I would like to once again take this opportunity to express the school's appreciation to all of the friends and active involved parents who gave of their time, talents and interest for the benefit of the children during this past year.

Perfect attendance for 1973—1974 school year.

## HEALTH REPORT

### 1973-1974

During this school year I spent a total of 76 days at the Paul and Union Schools. The Nursery School children are included in three programs which are carried out by the School Health Department, so that I continue to spend some time working with the parents and teachers of these children.

All children in the Elementary Schools had the following tests and measurements: height, weight, hearing and vision. All children in grades two through eight had a hemoglobin (blood) test, and were given the opportunity to have a urine examination. 19 children were referred for further vision examination and treatment, 1 child was referred for further examination of a possible orthopedic problem.

Physical examinations were performed on students in grades 3, 5 and 7. Dr. Gerard G. Bozuwa examined a total of 87 students. The families and physicians of the 4 children found to have heart murmurs were notified. Several children were found to have enlarged tonsils and weight problems.

This year there were 37 known cases of mumps within the school population, as well as 1 case of chicken pox, 3 cases of pediculosis, 2 cases of impetigo, and 3 cases of conjunctivitis. This is the first time in several years that there has been a large number of children affected with a communicable disease.

Mrs. Mary Ellen Tousignant, a Registered Dental Hygienist, provided the Dental Cleaning and Fluoride Program for 223 children this year. Dr. Micael Kish provided Dental treatment for 27 children. Mrs. Herberta Stark visited grades 1 through 6 to give dental instruction to these children. These programs were funded by donations from the Wakefield Woman's Club, the Wakefield Lions' Club, the Wakefield School District, and some matching funds from the State Department of Health and Welfare.

A total of 33 children participated in the local immunization clinics which are sponsored by the State Department of Health and the Wolfeboro Public Health Nursing Association.

The N. H. Tuberculosis Association again sponsored the T.B. testing program for all school employees. The volunteers and students of the Nursery School were included in this program, as

were all elementary students who had not previously been tested.

The Pre-School Vision and Hearing Screening Program was held in November. A total of 44 children attended. Two children were referred for further treatment, one because of a vision defect, and one because of a hearing defect. This Clinic was sponsored locally but the Wakefield Lion's Club.

Mrs. Shirley Ganem, a Registered Speech Therapist, evaluated the speech of several children, and saw a total of 10 children on a regular basis during the school year.

Again this year the success of the School Health Program was dependent upon many people. The support and operation of the School Board, the Administration and the teaching staff of each of the schools has helped to make this program possible. On behalf of the children and myself, I also thank the Wakefield Lions' Club, The Wakefield Woman's Club, The Episcopal Church Vestry and the many volunteers for their time, interest and financial assistance.

Respectfully submitted,

Davena R. DeWolf, R.N.
